## WHO AM I?

An avid learner. An open-minded thinker. Creator and sole maintainer of [www.openjge.org](http://www.openjge.org), an open source game engine.

## SKILLS

- Quick learner
- Team player
- Problem solver
- Detail oriented
- Organized

## WORK EXPERIENCE

### **LIFEGUARD • CITY OF MARKHAM • 09/2018 – PRESENT**

For well over a year, I've been working as a lifeguard for the City of Markham. This job requires me to always be alert; keeping an eye out for any potential signs of drowning. Teamwork is imperative to not only successfully treat victims, but to also effectively communicate with other guards on deck. Both I and the rest of my guard team have a lot of responsibility to keep everyone safe and make sure that the facilities are maintained.

### **COUNSELLOR • WILLOWGROVE DAY CAMP • 07/2019 – 08/2020**

Throughout the entire past summer, I had the opportunity to work at Willowgrove Day Camp as a counsellor and activity instructor. This allowed me to apply the experiences I gained from previously volunteering there, and gave me the ability to extend and build upon my responsibilities as a camp leader.

### **UMPIRE • UNIONVILLE MINOR SOFTBALL ASSOCIATION • 06/2016 – 09/2017**

During the summers of 2016 and 2017, I worked as an umpire for the UMSA, where I was umpiring up to two softball games per week. I would act as an authoritative figure during the games, as I was required to make on-the-fly decisions and ensure that the rules of the game were being followed. Throughout my work experience as an umpire, I was able to develop my leadership and negotiation skills as well as build upon my teamwork abilities.

## CERTIFICATIONS

---

- Standard First Aid
- National Lifeguard

## INTERESTS

---

- Computer programming
- Game engine development
- Guitar
- Photography

## EDUCATION

---

### **GRADE 12 • ST. AUGUSTINE CHS**

- Grade 9, 10, & 11 Honour Roll student

## VOLUNTEER EXPERIENCE

---

### **CENTENNIAL POOL • ADAPTED AQUATICS INSTRUCTOR • 06/2017 – 06/2018**

Over the course of a year, from the summer of 2017 up until the summer of 2018, I volunteered at my local community centre's pool. During my time in the water, I would help to teach children of different ages with learning disabilities how to swim. This involved using different teaching techniques and styles to best suit each child's needs.

### **TORONTO REGIONAL CONSERVATION AUTHORITY • 07/2017**

During the summer of 2017, I spent a week volunteering in the TRCA Youth Corps. Each day I'd travel to different municipal parks throughout York Region, working to help maintain the environment at each location. This would consist of various activities such as removing invasive plant species and spreading mulch, and planting trees.

### **WILLOWGROVE DAY CAMP • LEADER-IN-TRAINING • 07/2016**

During the summer of 2016, I volunteered as a Leader-in-Training at Willowgrove Outdoor Day Camp. I was responsible for helping counselors by safely leading camp activities, while making sure that all the campers were participating and having an enjoyable time.
